MONETT SALES

DAY MARCH 6

First Number of 1922 Sales Day Sheet Mailed to Buying District, in Community Trade Extension Campaign.

The monthly sales day at Monett will resume on Monday, March 6, and the sales day sheet, advertising special bargains of Monett merchants for that day, have been mailed out. Monett business men are launching this trade extension campaign to enlarge the trade territory of the town and to further convince those within Barry and Lawrence counties that Monett is the logical buying point for them.

The firms represented in the sales sheet have pledged themselves to offer each sales day one or more special bargains at a price less than you will find regularly quoted by any other reliable concerns.

The farmers will be given an opportunity to advertise anything they may wish to sell at auction free in the sales sheet, if they will give the list to John P. Davis, the Commercial Club secretary twelve days before the first Monday in each month. Only a small commission is charged by the auctioneer for his services.

While some lines of business do not have any special lines on which they can offer bargain prices, yet realizing that they all reap a benefit by increased business brought to the town in this manner, have taken space in the sales sheet. The public is asked to read each advertisement and trade with the firms represented there.

FUNERAL SERVICES FOR MRS. C. C. LANE

Funeral services for Mrs. C. C. Lane, who died Monday night, February 27, 1922, were held at the Methodist church Wednesday afternoon. Dr. F. F. Dobson, pastor of the Presbyterian church, conducted the funeral service.

Beautiful music was rendered by a choir composed of Mrs. W. T. Kines, Mrs. W. C. Bray, Leslie Mason and Howard Gulick, with Miss Ruth Hobbs at the organ. Many friends assembled to pay the last tribute of respect to the deceased.

Mary Catherine Cowan was born in Benton county, Ark., more than 63 years ago. She made her home in Missouri the most of her life. Thirty-two years ago she was married to C. C. Lane. They were the parents of one son, Ed Lane, who survives his parents. They lived for many years on Kings Prairie, later moving to the home south of town, where they both died. Mr. Lane died a year ago last December.

Mrs. Lane joined the Presbyterian church at Exeter when a young girl, but as her husband was a member of the Methodist church, she did not join the Presbyterian church at this place. She leaves two sisters—Mrs. E. J. Hopkins, of Monett, and Mrs. S. E. Ruark, of Colorado Springs, Colo., also a nephew, Dr. P. C. Hopkins, of Severy, Kansas and a niece, Miss Willa Ruark, of Colorado Springs. Besides these relatives she leaves several step-children, among whom are O. H. Lane, of Joplin, and C. Lane of Springfield. The others live in California and one at New Orleans.

Mrs. Lane's death was caused by tuberculosis, from which she had suffered for more than a year. During all her sickness she showed remarkable patience, and when she realized that she would not get well, she expressed her willingness to die. She was a woman of great energy and a hard worker, never sparing herself, but always looking out for the welfare of the members of her family.

MISSOURI BONUS BONDS ARE SOLD TO BANKERS

Jefferson City, Mo., March 1.—Missouri's \$15,000,000 bond issue for soldiers bonus were sold today to a syndicate of New York, St. Louis, Kansas City and Chicago bankers. The successful bid was at the rate of 103.72, which gives a premium of \$555,500 on the entire issue. The bonds are to be delivered in blocks of \$3,000,000, a month beginning April 1. The bonds bear interest of 5 per cent.

ARRESTED FOR GIGGING

Deputy state game and fish commissioner Floyd Callaway of Monett arrested Joe Ball, Jim Jaggard and V. V. Anderson of near Eagle Rock on Roaring River for gigging fish on the 19th of February.

They were taken before S. R. Reynolds Justice of Peace at Cassville and pleaded guilty and paid a fine of \$13.95 each.

The gigging season closed Jan. 31st making it unlawful to gig or spear fish during the months of February, March, April, May and June. As this law is being constantly overlooked by the giggers, the state game and fish department is making a special effort to stop it.

CHECK RAISER WAIVES PRELIMINARY

Clarence Martin alias Beasley Committed to Jasper County Jail Pending Federal Grand Jury.

Clarence Martin, or Robert Beasley as he was called by the officers here, waived preliminary hearing when arraigned Wednesday morning before James P. Mead, United States commissioner, on a charge of passing federal reserve notes, which he is alleged to have raised from \$2 to \$10 at Monett. On his failure to furnish \$5,000 bond he was committed to the county jail at Carthage pending action by the federal grand jury in June.

Martin was arrested Friday night at Globe telegraph station by officers W. H. Long and James A. Johnson. He was apprehended by the telegraph operator, who had heard the officers telegraphing a description of the man and the Monett officers were notified. Martin vigorously resisted arrest and only after a hard fight were the officers able to hold him.

Martin passed a raised check at Fred Bowen's confectionery Friday. When arrested he had two raised checks in his possession, also a stamping device for raising bills.

He was held in the Monett jail until Wednesday morning by Charles McDonald, deputy United States Marshal and Charles Benton, a Joplin detective. He was taken to Joplin Wednesday morning.

After Martin left City Marshal Garden found in the jail in crude illiterate writing the following written on a card:

"Clarence Martin, Butte, Mont. in jail for pasen a ten dolar bil and will see Levinworth sure as heil. But now to god i dearlly pray for power to be a man some day."

FINDS LEAD ON D. A. UTTER PLACE

A very fine strike of lead has been made on the D. A. Utter place northwest of Cassville about three miles by Jack Harvey who has been prospecting on the land. James Padgett was showing here Thursday a specimen of pure lead ore that was taken from the Harvey prospect.—Cassville Republican.

GARLAND WEBB JONES

Garland Webb Jones was born in Horse Cave, Hart County, Ky., September 17, 1858 and passed away February 27, 1922 aged 63 years, 6 months and 10 days. His parents died when he was quite small and he was raised by an uncle and aunt. From Kentucky they moved to Texas and at the age of 21 he went to Kansas where he was married to Miss Elizabeth Crosby in 1883. They moved to southeast Missouri in 1894 and five years later came to Monett where they have since resided. To this union three children were born, Mrs. Mabel Mooney of Monett, Lee Jones of Buffalo, N. Y., and Mrs. Amy Coffey of Kansas City.

At an early age he was converted and united with the Baptist church. He was a member of the American Yeoman and Carpenters Union.

Webb Jones, as he was generally called, was a man of good qualities and his friends were numbered by his acquaintances. The funeral was held at the Baptist church Wednesday afternoon conducted by Rev. C. F. Whitlock, who used as his text 1 Thes. 4:18. The choir consisting of Percy Johnson, Mrs. Payne, Mrs. Arthur Anderson, Mrs. Willis, Mrs. Fred Williams with Mrs. Percy Johnson at the piano sang nicely. He was laid to rest in the I. O. O. F. cemetery.

The floral offerings were beautiful. The pall bearers were Geo. Mooney, J. T. Burgess, O. L. Williams, Jeff Shaw, J. O. Killgore and Mr. Hickman.
